Philip M. Rosenthal has worked in the hi-tech world of computers for over twenty-three years. During his tenure with the Rockland County Sheriff's Department, he investigated and solved numerous cases involving intrusions, encryptions, industrial espionage, hacking, issues of child safety, identity theft and financial fraud, and hate crimes. Rosenthal is an internationally recognized expert in the field and has worked with numerous Federal and State agencies investigating computer crime. Mr. Rosenthal is a nationally regarded speaker on this topic.
